

YOUNG VOLUNTEER OF THE YEAR NOMINATION FORM

North Devon Voluntary Services (NDVS) will be hosting our annual Awards Ceremony in June, when we recognise the valuable contribution that volunteers make to our community.

ALL nominated volunteers (of all ages) will be invited to the awards ceremony and receive a certificate in recognition of the work they do.

Last year we introduced a special award for 'Young Volunteer of the Year.' The overall winner of this category will be presented with the award sponsored by the Cedars Inn. It will be presented to the young person aged 21 years old or under who has given up her or his free time to make a difference, improve their community and make a positive contribution to their local area.

We have some rules we would like to tell you about before you place your nominations:

1. Nominees to be aged 21 years old or under
2. Individuals cannot be nominated by a family member, or nominate themselves
3. The young person and the parents/guardian if under 18 years old must give permission for the nomination
4. The judges' decision on the awards is final

Nominations are due in by Friday 27th April 2018.

The event will take place in the evening of 7th June at the Cedars Inn, Barnstaple. Please return your completed form to Loubna Tacey, NDVS Administrator by hand, post or email admin@ndvs.org.uk. If you have any questions, please email Loubna Tacey, or phone 01271 866300.
